Hi Everyone,

Below is the link to the Revised FS. Let me know if you have any issue accessing the files. As a reminder, we will have a meeting on Thursday (6/11) to discuss any fatal flaws of the revised FS and how we want to proceed. So please focus your review over the next few days and prepare to discuss any significant concerns you have with the FS. After Thursday we will have a clearer direction on how we want to proceed but we will likely be moving very fast so please be prepared.

Let me know if you have any questions.

Thanks,

Josh
